

Commercial System Design Questionnaire

Please complete all the questions listed below and email the completed form back to us.

Do you have an existing greenhouse or are you looking to purchase a new greenhouse?

If you have an existing greenhouse what is the length and width of the floor area inside? E.g. 18.4 x 54m long

How many bays does the greenhouse have and what size are the bays?
(A "bay" is the clear growing area uninterrupted by support poles)
E.g. 2 Bays each 9.2m wide x 54m long = 18.4m wide x 54m long

If you don't have an existing greenhouse please let us know the dimensions of your proposed greenhouse or the length x width of land area you have available.

Please let us know what crop type(s) you wish to grow (tick)

Lettuces

Herbs

Strawberries

Cabbages

Cauliflower

Tomatoes

Capsicums

Beans

Eggplant

Other _____

Please let us know the percentage of the greenhouse floor area to be occupied by each crop:

E.g. 50% Lettuces, 50% Capsicums (or) 100% Lettuces

How many workers do you intend to employ for operating the hydroponic system, planting and harvesting? Or will you operate the whole system yourself?

What is your water source? E.g. Bore water, town supply, collected rain water, river water.

Have you had the water tested? (If yes please email the test results to us)

Climate Information

Please list:

Maximum Temperatures _____

Minimum Temperatures _____

Maximum Relative Humidity % _____

What is the altitude of the proposed site above sea level?

What is your nearest shipping port?

Electrical Information:

What is your power supply? (E.g. 230 Volt x 50 hertz)

Do you have Single or 3 Phase Power Available at the site?

Is there an internet connection available at the proposed site?

Have you had any past experience with hydroponics or horticulture?

Please list your contact details below:

Name: _____

Postal address:

Delivery address:

Email: _____

Phone number: _____

Mobile number: _____

Pure Hydroponics will look over this information and reply to you with our thoughts.

Many Thanks
